

Student Graduation Application

Acknowledgement

Thank you for submitting your application to graduate from the University of Illinois. You may print a copy of this page using your browser's print command or save this page to a file as confirmation of your submitted application.

A candidate for a graduate degree must meet University requirements as printed in the Student Code. Students must conform to the requirements of their curriculum as found in the Graduate Programs section of the Programs of Study including the total number of hours required for graduation.

If your graduation plans change, you must contact your department.
